2008 PROJECTS AND AUDITIONS

Project 2: Chaos project – *"Pig Out"*

Each year, our "Chaos" project incorporates younger and less experienced dancers with senior Quantum Leapers, building confidence and skills whilst creating and presenting a new dance work.

This year, they will work with professional choreographers including **Marco Panzic** (in the final 12 for *So you think you can dance*). The piece they will create, ***Pig Out***, will explore eating habits: people who eat too little, people who eat too much; good food, bad food; fast food, slow food. There will be three professionally produced public performances at the Tim Murray Theatre in Red Hill.

Application deadline	**Monday 11 August.** *No applications will be accepted on the day of the audition.*
Audition	**Sunday 17 August** | 1pm–6pm
Parent Meeting	**Sunday 7 Sep** | 12pm–1pm

Cost

$150 is the total participation cost for the 2008 Chaos project – *"Pig Out"*. This is heavily subsidised, and includes Associate Membership of QL2, and a project T-shirt. There is no charge to attend the audition.

Optionally, dancers can also buy a DVD of the work for **$30.** *(Note that no video or photography is allowed during the performances.)*

Financial hardship?

We are a non-profit organisation, and aim to keep costs very reasonable. However, we recognise that this cost may still be an obstacle for some. We offer a **Bursary** system to financially assist you if the cost prevents you being in the project. To make an appointment to discuss this, please phone Ruth Osborne on 0418 943 857.

Classes

We strongly recommend that dancers in the project do some regular dance classes. For ages 8–15 not already taking classes, we offer a weekly *Junior Company Training* class; and also a boys-only *Junior 'Licence to Move'* class. Each is $10 per class if paid by the term.
